MORE INFORMATIONS RECYBAG 3V / 5V

PICKUP: You must authorize the collection, this must be done by phone or via our customer portal. <https://monrecybac.vfi.io/login> Once the pick-up is authorized, a delay of about 1 to 5 days will be necessary for our team to take back the container. Let us know if the collection of your bag needs to be done quickly.

MAXIMUM WEIGHT EXCEEDED: If the maximum weight of the Recybag has not been respected and we are not able to pick it up, we will offer you to deliver a container. This rental will be entirely at your expense and the Recybag will not be credited.

HEAVY MATERIALS: For types of heavy materials such as earth, concrete, brick, asphalt and ceramics, the maximum accepted represents a height of 6 inches from the ground. Otherwise your recybag may be too heavy.

ACCESS: It is your responsibility to ensure that you drop off the bag at a place where our machinery may have access. A minimum space of 66 inches wide is required. In addition, the bag must be deposited on the ground absolutely.

CITY PERMIT: It is your responsibility to obtain the necessary permits to obstruct a public space. Recybac inc is not responsible for any contravention related to the obstruction of a public place. You do not need a permit to deposit the container on your land.

ADDITIONAL BAGS DISCOUNTS: To get the discount on additional bags, the collection of all bags must be done at the same time

CUSTOMER PORTAL: You have access to a web portal to manage your container rental. Book, authorize a pickup, pay, view your invoices and orders easily. Here is the link [temps. https://monrecybac.vfi.io/login](https://monrecybac.vfi.io/login)

MORE INFORMATIONS 10V / 14V / 18V / 20V / 40V

EXTRA DAYS: When you call to authorize pickup, the day counter stops calculating. You are therefore no longer loaded for the following days.

PICKUP: You must authorize the collection, this must be done by phone or via our customer portal. <https://monrecybac.vfi.io/login> Once the collection is authorized, a delay of about 1 to 5 days will be necessary for our team to take back the container. Let us know if the collection of your container needs to be done quickly.

UNFREEZING: IF the materials remain caught in the container and we use a mechanical shovel to clean it. Normally in the winter season.

MAXIMUM WEIGHT EXCEEDED: If you exceed the maximum tonnage, a fee will apply for the use of a more robust truck. This includes unnecessary travel costs and the transport of the more robust truck.

DELIVERY HOURS: We normally deliver between 6:30 a.m. and 3 p.m. We never guarantee an exact delivery time.

CITY PERMIT: It is your responsibility to obtain the necessary permits to obstruct a public space. Recybac inc is not responsible for any contravention related to the obstruction of a public place. You do not need a permit to deposit the container on your land.

CUSTOMER PORTAL: You have access to a web portal to manage your container rental. Book, authorize a pickup, pay, view your invoices and orders easily. Here is the link <https://monrecybac.vfi.io/login>

MORE INFORMATION

DELIVERY HOURS: We prioritize mini-loader deliveries according to the desired times. On the other hand, we do not guarantee the exact hours. You could therefore receive the mini-charger before or after the agreed time according to several factors beyond our control.

CITY PERMIT: It is your responsibility to obtain the necessary permits to obstruct a public space. Recybac inc is not responsible for any contravention related to the obstruction of a public place. You do not need a permit to deposit the container on your land.

GASOLINE LEVEL: The gasoline level will be delivered to you at full capacity. After picking up your mini-loader, we will fill the fuel tank at full capacity and charge you at the cost price plus 10%. A photo of the gas bill will be sent to you by email and in your customer portal.

DAMAGE: All damage to equipment will be charged with a surcharge of 30% of the cost of repairs. Repairs are made at the place of our choice. Of course we will not charge for general maintenance breakdowns.

SECURITY DEPOSIT: For any equipment rental, a deposit of \$2,000 will be taken on the credit card as a pre-payment. Subsequent charges will be adjusted at the end of the rental contract.

MAINTENANCE ON THE ROAD: Any maintenance on the road due to a negligent break or misuse will be charged according to the price chart.

CUSTOMER PORTAL: You have access to a web portal to manage your reservation. Here is the link
